Clear Logo Tape

FEATURES

An ideal way reclaim automotive badges and logos without the need for expensive replacements.

BENEFITS

- Self-cutting
- Easy to use
- Premium adhesive
- Saves time and money during the badge reclaim process

HOW TO USE THIS PRODUCT:

1. Peel backing strip off to expose the adhesive.

2. Place the badge onto the adhesive face. Apply pressure evenly onto the badge and on the back.

3. Lift the badge off taking the adhesive with it.

4. Clean the area where the badge is to be applied to. Apply the badge to the vehicle. Ensure that care is taken to make sure that you have the badge in the correct position.
