

## Product Description

A replacement foam film for the inner door skin membrane. Continuous roll. Dispensing box.

## Product Construction

## Shelf Life

One year from date of receipt by customer when stored at 22°C (72°F) and 50% relative humidity.

## Physical Properties

Values shown are typical values and not to be used for specification purposes.

Carrier	Polyethylene Foam
Adhesive	Acrylic
Thickness	2mm (+/- 0.5mm)
Width	600mm (+/- 2mm)
Length	10m (+/- 0.5m)

## Performance

An easy way to replace inner door skin membrane. A single length which can be cut to size. Grid printed release liner enables difficult shapes to be cut-out easily. Dispensing box makes it simple and easy to use.

### Features

- Replaces door skin membrane
- Easy to fit
- Sound deadening
- Dispensing box

### Benefits

- OEM standard repair
- Saves time
- Reduces road noise
- Simple and easy to use

## IMPORTANT NOTICE TO PURCHASER

JTAPE makes no warranties, express or implied, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the JTAPE product is fit for a particular purpose and suitable for user's application. Please remember that many factors can affect the use and performance of a JTAPE automotive product in a particular application. The materials to be bonded to the product, the conditions in which the product is used, and the time and environmental conditions, in which the product is expected to perform are among the many factors that can affect the use and performance of a JTAPE automotive product, some of which are uniquely within the user's knowledge and control. It is essential that the user evaluates the JTAPE automotive product to determine whether it is fit for a particular purpose and suitable for user's methods of application.

## LIMITATION OF REMEDIES AND LIABILITY

If the JTAPE product is proved to be defective.

The exclusive remedy, at JTAPE's option, shall be to refund the purchase price of or to repair or replace the defective JTAPE product.

JTAPE shall not otherwise be liable for loss or damages, whether direct, indirect special, incidental, or consequential, regardless of the legal theory asserted, including negligence, warranty, or strict liability.
