

CLEAR LOGO TAPE

PART NO. 2210

Clear Logo Tape is designed specifically for re-fixing logos/decals/badges from all types of vehicles. When the tape is applied, the pressure-sensitive adhesive self-cuts, only sticking to the badge.

To see a full tutorial on how to use this product, simply scan the QR code with the camera on your smart phone.

FEATURES

- ✓ Self-cutting pressure sensitive adhesive
- ✓ Double sided permanent carrier-free transfer adhesive for professional re-application of vehicle decals
