

FACE SHIELD CE (EU) 2016/425 CE 2777

PRODUCT INFORMATION SHEET PART NO. 8000.2425

DESCRIPTION

JTAPE Face Shields provide lightweight, comfortable protection to the face from splashes and projected liquid droplets when used in conjunction with other task specific personal protective equipment. JTAPE Face Shields are manufactured using optically clear film to give the wearer full peripheral vision when in use and can be worn with or without glasses as the soft breathable polyurethane headband ensures comfort and provides clearance from the face.
