

Face Shield Design Competition

In response to the Covid-19 global pandemic, JTape, designed a Disposable Face Shield to help protect care workers and key workers when they may be exposed to people showing symptoms of coronavirus. We are a local company and are now one of the UK's largest manufacturers of Disposable Face Shields, all from our Macclesfield factory.

JTape is partnering with Silk 106.9 to run a competition for children to create a unique design on our Disposable Face Shields.

Let's extend the gratitude being shown on a Thursday evening in 'Clap for Carers' and in the beautiful rainbow pictures being displayed in the windows of so many homes, into the workplaces of Carers and Key Workers.

We want you to "MAKE OUR CARERS SMILE" by designing a special picture which can be displayed on the top of the face shields for everyone to see when they are wearing a face shield at work.

There are 4 age categories and the winner of each one will see their design brought to life and printed on 100 Disposable Face Shields which will be given to organisations employing Carers and Key Workers in the local community.

The 4 age categories are:

Category 1: Age 6 and under

Category 2: Age 7-9

Category 3: Age 10-12

Category 4: Over 12's – Yes, adults can enter too!

The Judges

We'd like to extend our thanks to our competition judges: David Rutley MP, Member of Parliament for Macclesfield, Darren Antrobus, Presenter on Silk 106.9, Oliver Jevons, Managing Director of JTape & Sarah Sullivan, GCSE Art Student at Fallibroome Academy.

Prizes:

The winning entries will go into production at our factory and we will supply 100 Disposable Face Shields of each age category's winning design, free to local care organisations.

The winners in each category will win a £25 amazon voucher and a case of 24 of their individually designed face shields for themselves and their families.

Tell all your friends from school about the competition. The school with the most entries (across all age categories) will win an Amazon voucher for £100.

Please print Page 3, your entry form, complete it with your design and return it to faceshieldcompetition@jtape.com.

The closing date for entries is Sunday 21st June and winners will be announced around 2 weeks later.

These are our current Face Shields. Your design will fill the black and white band at the top of the shield.

The Rules

- You can use any colours you want, and designs can be created in pen, paint, pencils etc.
- Designs need to be within the area indicated below to ensure that the wearer can see fully while wearing the face shield.
- You can enter more than one design. Only the first entry will count towards the school prize.
- Your design may need to be resized to allow for any wording to be displayed in line with our legal obligations.
- The competition will run from 18th May to 21st June.
- Winners will be notified in July 2020.
- Complete the entry form and your design and return it to faceshieldcompetition@jtape.com.
- Have fun and your design could be created and given to local organisations to protect their workers and make them smile.
- By entering this competition, you allow JTape and Silk 106.9 to share your name and face shield design in local media and on our JTape Social Media pages.
- For more information about JTape, our traditional products or JTape Disposable Face Shields please see our website jtape.com or call 01625 618185.
- We reserve the right to make changes to the competition rules and the judges' decision is final.
