

PREMIUM MASKING TAPE

PART NO. 1183

Premium Masking Tape is a high-quality all-round crepe tape for masking off areas when spraying, leaving a clean, sharp paint edge with no bleed. Typically used in conjunction with other JTAPE masking products, it is suitable for a wide range of substrates thanks to a specially formulated adhesive providing increased grab. Heat-resistant up to temperatures of up to 130°C/265°F for up to 30 minutes, this tape is also moisture and UV resistant.
